### The EnVision Partners Process

- ✓ Tax effective strategies and solutions to build and protect your wealth
- ✓ Proven practical advice
- ✓ Looking for a reliable bookkeeper?

Many small to medium sized businesses do not operate as tax-effectively as they could, and/or fail to plan properly for how they are going to meet their tax obligations.

Whether you are looking for a full, integrated tax and accountancy service or just bookkeeping, EnVision Partners can provide in-house services to small and medium businesses.

We provide sound and timely advice on:

- Structuring and compliance for businesses and individuals
- Tax-effective structures (trusts, companies or superannuation) for small to medium-sized businesses to meet financial and business objectives
- Business tax planning
- Tax-effective distributions by trusts, partnerships and hybrid entities
- Capital Gains Tax (CGT), Fringe Benefits Tax (FBT) and Goods and Services Tax (GST)
- Ongoing and year-end tax planning strategies
- Retirement and estate tax planning to ensure that your assets are protected against undue taxation consequences
- Acquisition, merger and disposal of business
- Remuneration planning and structuring
- Financial statements, tax returns and compliance issues
